

Earning the 21st Century Scholarship guarantees you'll receive up to four years of undergraduate tuition at any participating public college or university in Indiana. If you attend a private college, the state will award an amount comparable to that of a four-year public college. If you attend a participating proprietary (for-profit) school, the state will award a tuition scholarship equal to that of Ivy Tech Community College of Indiana.

The coordinators of the Twenty-First Century Scholars Program have the responsibility to enroll as many eligible 7th and 8th grade Indiana students as possible. Please note that students cannot apply for Twenty-First Century Scholar grants at any time after the 8th grade year.
